

Dear Sh.Harbans Singh ji,

As discussed, the copy of Vakaltnama was emailed to you. In respect of case for partition of land based on land comprised in Khewat Nos.482,483,484,491 and 492 Jamabandi 2017-18 of village Taruana, I may please be presented by yourself. I have learnt from reliable resources that casefor partition of estate has been filed by some of the shareholders. I have not been served summons with the malafide intent of denying me the opportunity of being heard and obtain ex -party decision in their favour. On perusal of record of Jamabandi 2012-13, it would be observed that Sh. Gurbachan Singh was indicated to be in possession of 36K 12 Marla (khewat No. 402 khatauni No. 758). The area of 36 K 12M was comprised as indicated:(77// 1min 4-12 , 129//17 8-0, 129//18 8-0, 129//23 8-0, 129//24 8-0).

However, on examination of the Jamabandi for the years 2017-18 it has been observed that Khewat has been partitioned into three khewats against the rules and area which was being shown in the possession of **Sh. Gurbachan Singh since several decades has not been shown in his name or his legal heirs**. The entire khewats have been shown as Khudkast. As you are aware, this is blatant misuse of powers, illegal and against the law. We the sons of Late Sh. Gurbachan Singh as legal heirs should have been shown in possession of land ever since his demise in April 2011. The girdawari has been changed by the patwari obviously after getting extraneous gratification and with the ulterior motive of changing the possession in favour of other party. As you are aware, this is contrary to the extant guidelines on the subject issued by Financial Commissioner, Haryana. Copies of Fard Jamabandi are attached for your kind perusal. You are requested to plead that partition of land should not take place until Jamabandi for the year 2017-18 in respect of khewats Nos. 482 and 483 are not corrected in consonance with previous Jamabandi. You are kindly request to be present as advocate on my behalf to protect my interest and obtain the stay in the case.

Regards

Jasvir Singh
